TGCC PLT – OTHM Approved Centre

TGCC PLT is an Approved Centre for British Qualifications, Endorsement, Award and Certifications under OTHM, UK.

Our main aim is to support the industry by providing a platform for learners to attain OTHM international qualifications and open a pathway for them to gain advanced entry into UK Degree final year and Masters top-up programmes, as well as to work in Europe. The certifications are via:

1. ***Endorsed Learning Programme (ELP); or***
2. ***Recognition of Prior Experiential Learning (RPEL)***

OTHM's key role is to ensure the integrity and standards for these qualifications that they certify by stringent process and procedures.

ENDORSED LEARNING PROGRAMME (ELP)

- **Endorsed Learning Programme (ELP)** is the recognition of learning institutions' courses and training programmes by OTHM UK.
- The endorsement helps the course or training programme to stand out from the rest bringing the prestige of OTHM with them.
- The availability of such endorsement gives learners, employers and wider businesses and industries confidence that the programmes are developed around the best practice and they are working towards globally recognised standards.
- All OTHM certificates come with a transcript of study to provide clarity to learners along their career pathway.

ELP Programme Size

- **Award:** 1 – 12 credits
- **Certificate:** 13 – 36 credits
- **Diploma:** 37 credits and above

RECOGNITION OF PRIOR LEARNING (RPEL)

- Diploma through RPEL is a process used to identify, assess, and certify a person's knowledge, skills, and competencies, regardless of how, when, and where the learning occurred, against prescribed standards for a part or full qualification.
- Include formal, informal, and non-formal learning to determine the credit outcomes of an individual credit application.
- RPEL is proven to give an opportunity to those who do not possess formal qualifications but they have the required skills, ability and high competency that make them eligible to attain formal qualifications and certifications in their specified field.

RPEL Eligibility Assessment

- Must be at least 20 years of age
- Process testimonial, certificates that are relevant to the competency of the diploma certificate applied
- Have at least 3 years of working experience

BENEFITS OTHM QUALIFICATIONS

- You gain internationally recognized qualifications
- Your experience and competencies are now valued
- Eligible to apply for a better career locally & overseas
- Prospects for working in United Kingdom and European countries via EUROPASS
- Pathway to UK university progression

ADVANTAGES & BENEFITS OF OTHM QUALIFICATIONS

There are many advantages of the OTHM certification holders.

- These are mostly to people who don't have a university degree holders.
- It will be an added advantage for degree holders if they meet the criterion and standards to have certification from OTHM UK.

Some of the benefits and advantages of OTHM, UK Certification holders are:

1. This is prove that they have a certain level of training and / or experience on technical vocational education training (TVET). This will include automation, microprocessor, artificial intelligence robotics, and others.
2. This certification will help the holder in their application for jobs, career advancement, and employment in the multinational companies at home and abroad.
3. A country with adequate TVET trained workers will attract many foreign companies to locate their factories in that country.
4. Adequately trained and internationally recognised certified workers are human capital, are likely to be employed overseas, and earn revenue for their homes and country.
5. OTHM certificate is recognised in many foreign countries and universities.
6. A well trained TVET workforce will enhance the growth of the country economically. This will include enhancing the workforce in the organisation of tourism and hospitality management.
7. TVET training and certification will put that country in an advantage position when competing economically against other countries.

OTHM QUALIFICATIONS

OTHM Regulations

OTHM is a UK-based awarding organisation that is regulated by the Office of the Qualification and Examination Regulation (Ofqual). Ofqual is a non-ministerial government organisation that regulates qualifications, examinations and assessments in England. Ofqual collaborates closely with the UK government and Department of Education on general qualifications, such as GCSEs and A Levels. As an independent regulatory body, Ofqual is responsible for ensuring the integrity and standards of the qualifications. It reports directly to the UK Parliament. OTHM holds a prestigious status as a full member of the Federation of Awarding Bodies (FAB).

Is OTHM qualifications/certifications acknowledged by MQA?

OTHM certifications is not tied up to any local accreditation bodies such as Malaysian Qualification Agency (MQA) atau Malaysian Board of Technologist (MBOT). Untuk melanjutkan pelajaran di universiti tempatan, syarat-syarat MQA atau selainnya perlu diikuti seperti biasa.

If learners wish to pursue higher education overseas, learners who possess OTHM qualifications may apply to further education overseas in the country of their choice. They need to fulfil the requirements set by the chosen international universities.

Dear Sir,

PROPOSED OTHM ENDORSEMENT FOR VOCATIONAL COLLEGES

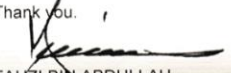

Happiness refers to the above.

1. Having researched and discussed the above. The Vocational Technical Education and Training Division (BPLTV), MOE is very pleased with the efforts made by TCCPLT to certify OTHM qualification from UK based Awarding Organisation regulated by OFQUAL (Office of the Qualifications and Examinations Regulation) and recognised by Qualification Wales to DVM graduates in Vocational Colleges.

2. BPLTV has no objection to authorizing TCCPLT to make such promotions or disclosures to the entire KV. This permission is limited to promotion and disclosure only and has no financial and administrative implications to BPLTV and Vocational Colleges.

3. Throughout this briefing and certification session, the TCCPLT should avoid disrupting the learning and teaching process in vocational colleges.

Thank you.
